

# Tri-Center Community School District

## Computer Loan Agreement 2023-24

One Chromebook laptop, carrying case and charger are being loaned to the Student/Borrower and are in good working order. It is the Student/Borrower's responsibility to care for the equipment and ensure that it is retained in a safe environment.

This equipment is, and at all time remains, the property of Tri-Center Community Schools of Neola, Iowa, and is herewith lent to the Student/Borrower for educational purposes only for the academic school year.

Student/Borrower may not deface or destroy this property in any way. Inappropriate use of the machine may result in the Student/Borrower losing his/her right to use this computer. The equipment will be returned to the school when requested by Tri-Center Community Schools, or sooner, if the Student/Borrower withdraws from Tri-Center Community Schools prior to the end of the school year.

The District has implemented measures to filter inappropriate web content on the issued laptop at school and off-campus. The Student/Borrower agrees to comply with appropriate use and may be subject to disciplinary action if policies are violated.

The District Property may be used by Student/Borrower only for noncommercial purposes, in accordance with the District's policies and rules, the District's Code of Conduct, as well as, local, state, and federal statutes.

Student/Borrower may not install or use any software other than software owned or approved by the District and made available to Student/Borrower in accordance with this Receipt and Agreement.

One user account with specific privileges and capabilities has been set up on the Chromebook laptop for the exclusive use of the Student/Borrower to which it has been assigned. The Student/Borrower agrees to make no attempts to change or allow others to change the privileges and capabilities of this user account.

The Student/Borrower agrees to make no attempts to add, delete, access, or modify other user accounts on the Chromebook laptop and on any school-owned computer.

The Tri-Center Community Schools network is provided for the academic use of all students and staff. The Student/Borrower agrees to take no action that would interfere with the efficient, academic use of the network.

Identification and inventory labels/tags have been placed on the Chromebook laptop. These labels/tags are not to be removed or modified. If they become damaged or missing, contact tech support for replacements. Additional stickers, labels, tags, or markings are not to be added to the Chromebook laptop.

A Google Apps for Education account is available for each Student/Borrower to use for appropriate academic communication with other students and staff members.

Iowa statute allows the District to obtain reimbursement from, or on behalf of, students for any damage to, loss of, or failure to return school property. The full cost of the Chromebook laptop is \$275. Student/Borrower acknowledges and agrees that his/her use of the District Property is a privilege and that by Student/Borrower's agreement to the terms hereof, Student/Borrower acknowledges his/her responsibility to protect and safeguard the District Property and to return the same in good condition and repair upon request by Tri-Center Community Schools.
